CITY OF RIVERSIDE
HUMAN RESOURCES DEPARTMENT
CLASSIFICATION SPECIFICATION

TITLE: **LIBRARIAN**
LIBRARIAN (Branch Supervisor)

DEFINITION

Under general supervision, to perform a variety of professional library work in a specialized library function such as reference, cataloging, audio-visual, documents, outreach and youth services; to supervise the daily operations of a medium sized branch library as assigned; to provide assistance to technical staff and the public in maximizing the use of the library; and to perform other related duties as required.

REPORTS TO: Senior Librarian or Chief Librarian

DISTINGUISHING CHARACTERISTICS

This is a broad class encompassing entry and journey level professional library duties. Incumbents assigned to this class are expected to perform the full range of duties with increasing proficiency and independence as experience is gained and as incumbents progress through the salary range. Positions at this level have responsibility for promoting library use and resolving problems within establishing policies, methods, procedures and standards. This class is distinguished from Library Associate in that Librarians perform more complex and specialized reference and advisory services and have a greater responsibility for the development of a balanced collection within the assigned specialty. This class is further distinguished from the Senior Librarian by the responsibility of the higher level class for the supervision of a group of branches or Main Library or a system-wide activity.

SUPERVISION RECEIVED AND EXERCISED

Receives direction from a Senior Librarian or Chief Librarian. May exercise technical and functional supervision over para-professional, technical and administrative support staff.

EXAMPLES OF DUTIES

Duties may include, but are not limited to the following:

- Plan, schedule, supervise, and participate fully in the day-to-day operations of a medium sized library branch; participate in the development of work plans and goals; develop and administer branch or section budget; make recommendations for future budget needs.
- Supervise the mechanical maintenance and physical upkeep of the library.
- Interview and select staff; schedule, assign, train, encourage, review and correct the work of assigned staff including entry level Librarians, Library Associates, Library Technicians, Library Assistants, Library Pages and volunteers.
- Assist management staff in the development and interpretation of Library policies and procedures, goals, long-term objectives and short-term planning.
- Serve the Main Library as well as all branches system-wide in regard to troubleshooting operating complaints, diagnosing sources of problems and providing training to library staff.
- Develop special projects, programs, and services for branch clientele.
- Assist in interpreting the Library's mission and programs to the public through community contacts and participation in community activities.

- Search for bibliographic information; using bibliographic utilities, search for catalog records to match material; complete cataloging process; train staff in the use of the automated cataloging system.
- Place orders for library materials; monitor budget for fund availability; select and requisition office equipment and supplies.
- Develop and maintain a branch collection; develop a subject area collection; maintain collection by searching for information concerning additions, replacements, and withdrawals; perform other inventory maintenance tasks as needed.
- Review and select new books; make decisions on the disposition of outdated materials within assigned subject area.
- Maintain depository program for publications and documents within the library.
- Conduct a variety of library related educational programs and activities, including story hour, library tours and instructional classes in library use as assigned.
- Participate in the preparation and presentation of workshops and training for staff development.
- Prepare reading lists, bibliographies and special indexes; prepare bulletin board displays.
- Serve at the reference desk and respond to difficult or technical reference and information questions.
- Supervise and assist in the registration of new customers; explain and enforce library policies and procedures; assist customers in selecting and in making effective use of library materials; instruct customers in the use of the library and availability of materials.
- Direct and participate in the maintenance of various files and records; prepare regular and special statistical and narrative reports.
- Read professional publications and book reviews to keep informed on new publications, trends in publishing, automation and public library practices.
